### NEU LGBT+ EDUCATORS CONFERENCE REPORT!

This was the most amazing weekend in the union's calendar, with 260 delegates, amazing workshops, queer prom and awesome keynote speakers. The formal written report to conference is on the NUT website here : <https://www.teachers.org.uk/news-events/events/lgbt-conference-2018> but as far as the weekend itself I think the members get to say it all.

**Winners**

Can I get a drum roll please (or not)

## SOME AWESOME TWEETS AFTER THE EVENT.

Even before we have our post conference plan up and running, your members have opened regional Whatsapp networks and haven't stopped chatting about what they are going to do next to change the world. They want to be your reps, they want to be on your committee, they want to tell you all about this conference and what they experienced.

I had an utterly inspiring time at the @NEUnion #LGBTeducators Conference. So proud to belong to such an inclusive and diverse organisation. My enormous personal thanks to @LGBTEXEC and @the\_dbh for their fantastic stewardship of this landmark event. 🏳️‍🌈

Heading home from a fabulous conference : the most positively inclusive, friendly, welcoming & supportive space. Inspiring speakers & workshops & lots of fun. Thank you so much, organisers, for getting it so right, can't wait for next yr! @the\_dbh @LGBTEXEC #lgbteducators 🏳️‍🌈

A historic moment for the @NEUnion Trans Educators Network: The launch of the first Trans Educators Toolkit with @cyclingkev at #LGBTeducators conference. #trans

## TRANS EDUCATORS TOOLKIT

<https://neu.org.uk/advice-and-resources/equalities/trans-educators-toolkit>

### Trans educators toolkit

The NEU Trans Equality Toolkit provides information for education staff on transitioning in school/college.

*Leading trans equality in education: a toolkit for change* includes three advice documents:

- [Transitioning at work - know your rights](#)
- [Transition care plan](#)
- [Transitioning at work policy](#)

NEU trans members have shared their experiences of transitioning in school which has shaped the advice for other members. The advice contains a checklist for employers in the form of the [Transition care plan](#).
