

January 2014

Have you got an H&S NUT rep in your school? If not are you interested in finding out more about H&S? If so please contact me; Ann Kay H&S Adviser Cumbria, for information. You don't have to do much just be a contact!!

E-Mail-- 81gil@tiscali.co.uk

If you are a H&S rep, please let me know. Would you be interested in meeting other H&S Reps?

A reminder about Legionella Management.—SHOWERS in schools

If you have showers in schools please be aware that the shower heads need to be dismantled, cleaned and descaled regularly.

After a weekend/ or a period of not being used, the showers should be run prior to being used to flush through the system, otherwise this can cause the spread of legionella.
